

## **Virtual Peer Group in Doncaster**

### **Are you interested in getting involved in a virtual (online) peer group for direct payment users in Doncaster?**

A peer group is a great opportunity for you to talk to other direct payment users, have a catch up on your situation and discuss any matters you are concerned about. It is run by direct payment users for direct payment users. Penderels Trust staff just facilitate the session.

We can't meet face-to-face at the moment but we are running virtual peer group meetings very successfully in other areas.

Peer groups can be a good place to invite guest speakers (related to direct payments or something purely for fun/interest), to run training sessions and simply to have a chat.

If you would like to get involved, even if it is just to join in and listen to others speak, please let us know. We are just trying to gauge interest at the moment. If you are interested, please let us know:

- What you would like the group to cover - training, guest speakers, just social chat?
- Would you want as many people from the area in one big session or a few smaller sessions e.g. smaller geographical area?
- What level of involvement would you like e.g. actively help set it up, just get involved on the day with queries/to talk or to just come and listen?

**Please email us on [doncaster@penderelstrust.org.uk](mailto:doncaster@penderelstrust.org.uk) and let us know if you are interested and your preferences as to how the group should be run.**

**We looking forward to hearing from you!**
