Core Leadership Team

Charlotte

I moved to Stourport in March from Shelsley Beauchamp after suffering two floods. I got married last August and work as a trainee Train Driver at Travel West Midlands. I started this group because I wanted to make a difference to people like my grandad who are vulnerable, and let them know they aren't alone and have help. My grandad got to see what I started with the Mutual Aid Group, but unfortunately passed at the end of March, so I will continue to do my best to help others in honour of him.

Sarah

I have lived in Stourport for 5 years and I'm helping because I believe we should all do our bit for the community if we're able to. (Zone Coordinator Power Station Area)

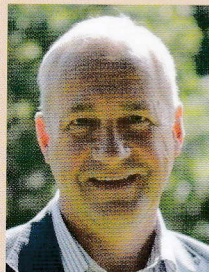

Rich

I have lived in Stourport for 14 years and feel passionate about assisting with this group to help those in need. (Zone Coordinator Areley Kings)

Katie

I am a final year student and feel it's important that we work together as a community and support each other and those who are vulnerable. (Zone Coordinator Wlndermere & Newtown)

Paul West

Paul West says: "Speaking as a resident of Stourport since 2003 I was really pleased when I heard that a COVID-19 Mutual Aid Group had been set up to support the residents of the town and its surrounding villages. But speaking as the former **Chief Constable of West Mercia Police (2003-2011)** I was even more impressed to learn that Charlotte and her leadership team had gone to great lengths to plan and implement the scheme in full compliance with all relevant legislation, so that it protects both the privacy and safety of its service users and volunteers. In these respects, our local Mutual Aid scheme is, quite literally, the model of best practice in the country and Charlotte deserves everyone's full support and engagement at this time of national crisis."

Paul from Cook's the Florists and Jay from Stourport Tandoori both say:

"Please keep safe by staying at home. We are delighted to lend our support to this very special scheme. Stourport Mutual Aid volunteers are already making such a difference and beginning to put a smile back on the faces of so many worried people who are currently self-isolating in Stourport and its surrounding villages."
